Last Column with Student Details added.

Click on Update/delete (it should show access denied as user do not have admin Access)

Clicking on Update:

Clicking on delete

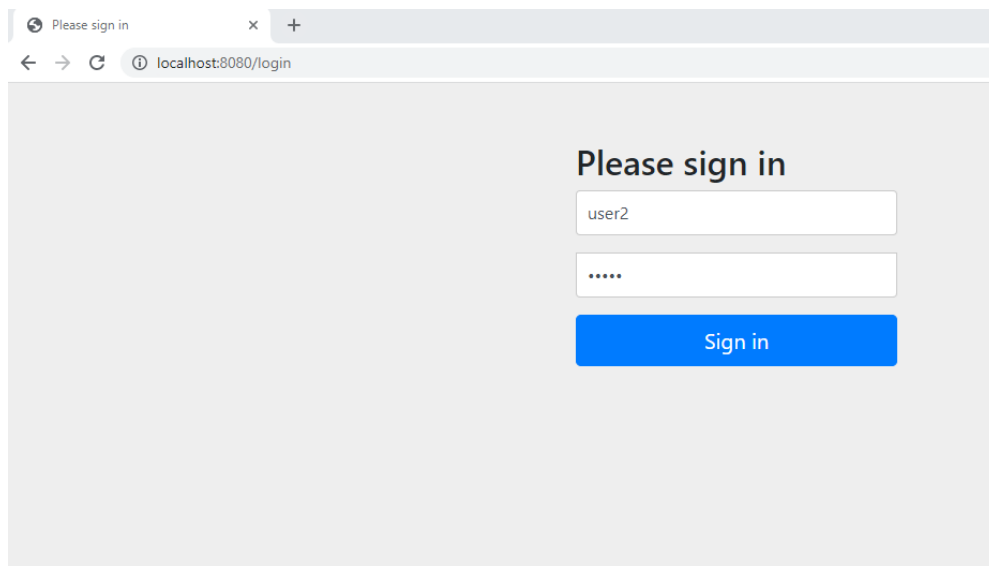

Click on Logout and it should take you to the login screen.

Scenario2:

Username: User2

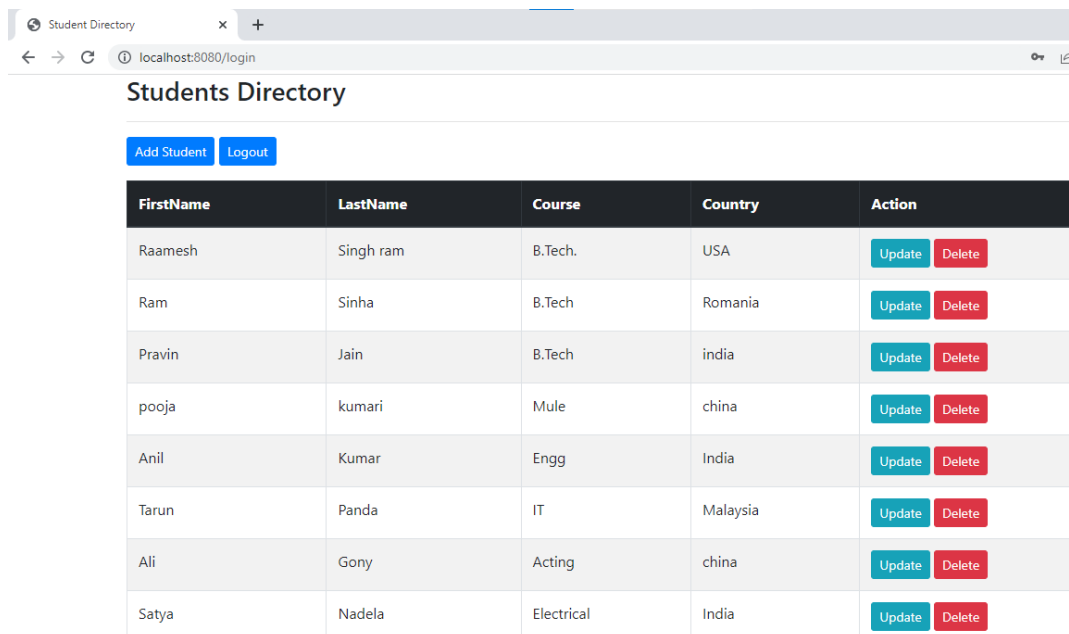

Password: admin

Role: ADMIN

A screenshot of a web browser showing a login page. The browser's address bar displays 'localhost:8080/login'. The page has a light gray background and a central white box containing the text 'Please sign in'. Below this text are two input fields: the first contains 'user2' and the second contains six dots. A blue 'Sign in' button is positioned below the password field.

On Sign in

A screenshot of a web browser showing a 'Students Directory' page. The browser's address bar displays 'localhost:8080/login'. The page has a light gray background and a central white box containing the text 'Students Directory'. Below this text are two buttons: 'Add Student' and 'Logout'. Below the buttons is a table with the following data:

FirstName	LastName	Course	Country	Action
Raamesh	Singh ram	B.Tech.	USA	Update Delete
Ram	Sinha	B.Tech	Romania	Update Delete
Pravin	Jain	B.Tech	india	Update Delete
pooja	kumari	Mule	china	Update Delete
Anil	Kumar	Engg	India	Update Delete
Tarun	Panda	IT	Malaysia	Update Delete
Ali	Gony	Acting	china	Update Delete
